Sir, I am antony smith my brother has completed +2 (tamilnadu) this year, he has written the exams good and it is expected min. PCB-185/200 mark and he comes under (PH) special category reservation seat for MBBS.I have searched the internet a lot, but i couldnt able to find the marks statistics about the special category students MBBS admission.

It will be very much helpful to us, if you know about the special category mark (previous years)pls reply @ jantonysmith@yahoo.com

Thank you

We are sorry, StanMed.net does not have this information.

The best place to get this information is the Tamil Nadu Dr. MGR Medical University. Their admission procedures and contact information are available at www.tnmmu.ac.in/admission.htm

Good luck!
