Used medical books for sale

Posted by haritha - 2010/01/05 02:34

Hi All,

I have attached a list of used medical books for sale at half the price. If anyone is interested in getting the same please email me at: apha100@yahoo.com.

Thanks http://www.stanmed.net/images/fbfiles/files/Medical.doc

That would be a very great deal from you. I just need to check it first and try to read the soft copy of the document. And after that, I could decide if I need to PM you later. Anyway, the book looks really interesting for medical terms.
