Hi,

This is Anand Subramanian, MD, Internal Medicine. 1991-1998(one year bonus!!) batch from Stanley, popularly known as 'OWL'. I am currently living in USA, about to complete my Internal Medicine Residency. I am currently in Detroit, Michigan and will be moving to Wisconsin for my job. I have not contributed much to this site so far and I will try to do my level best to make people aware of this site. Please, introduce this website to all your fellow stanleians to introduce themselves. Once, it has become more popular, we can even start specific threads with year of joining in Stanley so everybody can get to know the people from same batch.

About me, I like nice spicy Indian food(Remember Anjappar, Ponnusamy now!!). I make spicy non-veg entries. I spend most of my time in front of computers. I lost my soccer skills(I was the goal keeper for Stanley team) and cricket skills. I am planning to get some of them back. Starting tennis lessons shortly. Like to travel. Like to help people. That's all about me.

P.S.

Hypo, contact me 313-303-3926.

Thanks.

Anand.
